

Thank You

Life is not a path of coincidence, happenstance, and luck, but rather an unexplainable, meticulously charted course for one to touch the lives of others and make a difference in the world

Your volunteer support of the Deepwood Foundation 12th Annual Strides of March made it the best ever!!!! Rain or no rain, over 260 enthusiastic runners and walkers ventured out to make the day a success. Proceeds from the event will benefit Lake County Special Olympians. This would not be possible without you. You make the difference and we are so grateful!
