

**Bill Robertson | Board Member:** Bill's involvement with Deepwood Foundation began when his professional association, National Association of Insurance and Financial Advisors, was looking for a public service project to support. 40 years later, he brings a breadth of perspective to the Deepwood Foundation Board of Directors from a degree in Material Science to the creation of his insurance practice. Now retired, he remains an active member of many organizations including Mentor Rotary and the Million Dollar Round Table, a premier financial group from which he was able to secure 2 grants for the All Inclusive/Adaptive Playground at Broadmoor School.
